HANDLING GUIDELINES

Storage

- Refrigerate at 4 to 8 degrees Celsius.
- Our products do not contain artificial stabilizers or preservatives; freezing cakes is possible but not recommended.
- Storage requirements and shelf life may vary per cake.

Consumption

- Remove from fridge 45–60 minutes before consuming. All cakes are best consumed at room temperature.
- Once sliced, return the cake to the original packaging and consume within 5 days.
- Slice with a clean, hot serrated knife.

General Information

- All cakes are manufactured in a facility that may contain tree nuts, peanuts, milk, eggs, shellfish, wheat and soya.
- All products are hand-made; the height, width and weight may vary from time to time.
- We reserve the right to change, discontinue or improve recipes and presentation.
